to me

A.salam

Please interpret this dream of mine which i just saw today.

I saw that there were 2 girls at my place both of them used to study with me ,one was in school and other at the university. I saw both were standing together looking at a shoe (which i have at the shop) and one of them asked its price i said its right there at the bottom and then she said how can you people sell things so cheap (as if we were a big brand) and i said actually the price that is on it is incorrect it 200 prk cheaper than that stated on it. Then they went in my home and i saw that my house was in bad condition there were also a few cracks on the floor and i said to my self lets hope so they didn't saw this (the fact is that the house in real is in bad condition and needs repairs and maintenance but my family is going through some financial problems since the last one year). Then i saw there was something about the internet connection being 32mpbs and then i saw the hadith book TIRMIZI.

END DREAM

Jazak Allah khair.

WA LAIKUM SALAM,

YOUR DREAM COULD BE TELLING YOU TO START A NEW VENTURE SELLING GOODS ON THE INTERNET [SHOE, INTERNET CONNECTION BEING 32MPBS] WHICH WILL SOLVE YOUR FINANCIAL PROBLEMS [DELAPIDATED HOUSE]. BUT KEEP RELIGIOUS TOO AS WELL AS BUSINESS-MINDED [TIRMIZI].

to me

A.salam

Please interpret this dream of mine.

Background: I am waiting for my exam results which are near. And my friends got a head of me in studies as i failed twice due to my bad health , which is due to magic which had been practiced upon me and since then i am unable to give proper time to my studies.

Dream: I was in masjid and i think i was reciting the quran in my heart when a friend of mine (who is the son of the Imam of the masjid) came to me and offered me to come along with him to drink milk. So i went there were other people with us as well and we bought two big bottles of milk from a milk shop. One bottle had in it plain milk while the other one had in it chocolate flavored milk. I think i drank the milk which was plain. Then all of he asked me and others to pay for the milk and everybody contributed but i had no money so i took 100 pkr from my dad, who was in the masjid but the friends said you have to contribute 200 prk and i said i am not paying another 100 pkr. But later i decided to bring the remaining 100 prk from home and give it to the Imam's son. On my way i saw a few friends of mine who were my class mates and are now a head of me in studies they were 3 , one of them has completed his Acca and the other two made there qualifying attempt and the asked me why were you left behind so i replied i had been ill and therefore was not able to give proper time to my studies and then i moved on.

Then i was searching for there Imam's son and the were many rooms there and i was confused that where is he. So i opened a door and the room was a dark one and then i came out as some one from inside was saying something to me and his voice resembled to that of the imam but the voice sounded a little bit scary. Then i saw that there was another room and its door was opened and i saw my friend from outside, i saw he was using a computer and i told him about the voice i heard so he went with me to that room he looked inside and it was the imam's son in law there(his daughter isn't married yet).

End dream

Jazak Allah Khair.

YOUR DREAM IS TELLING YOU THAT YOU ARE CORRECTLY GUIDED IN RELIGION [.MASJID, RECITING QURAN IN HEART, IMAM, MILK] AND THAT YOU HAVE HAD FINANCIAL PROBLEMS [COULDN'T PAY PKR 200] BUT YOU WILL GET MORE MONEY [PAID MORE THAN REMAINING PKR 100]. THE DARK ROOM SYMBOLISES THE TROUBLES YOU HAVE HAD IN LIFE [EG BAD HEALTH BECAUSE OF JADOO]. BUT YOUR SITUATION WIILL IMPROVE [COMPUTER IN ROOM, IMAM'S SON-IN-LAW]. SO KEEP YOUR SPIRITS HIGH.

Assalmulalikum wa rehmatalillah

Please interpret m dreams:

1) I was in a masjid and the prayer over and i stood up to leave for home and when i stood up there was someone right next to me and he was sitting on the floor that person grabbed my hand, tightly i think.

2) i saw my maid had a fight with my neighbor's son in law and then i saw my uncle and another neighbor of mine were at house of the neighbor with whom the maid has a fight and both of them were also angry fighting the same neighbor and then i saw my uncle and the neighbor who was with my uncle fighting against the other one was having a fight with my uncle. I saw i was in the drawing room and the glass of three windows broke and from each window entered a new born baby 2 of them were boys and 1 was a girl.

I also saw that beside the door of the masjid there was a shelf and in it were placed some shoes (i have business and we deal in shoes as well) and a women was asking me the price there were 2 pairs in the shelf , one of them i have seen at my shop and the other one i saw the first time. And a women asked me their price and i said its 450 pkr and other one's price was 1700 ,i think.

WA LAIKUM SALAM,

YOUR FIRST DREAM IS TELLING YOU THAT YOU ARE NEEDED BY MASJID OR MASAAJID OR HELPING THESE HOUSES OF ALLAH IN SOME WAY

THE SECOND DREAM IS TELLING YOU THAT YOU MIGHT BE UNHAPPY IN YOUR PRESENT AREA AND WISH TO MOVE SOMEWHERE NEW

THE THIRD DREAM IS TELLING YOU THAT NEW THINGS WILL START TO HAPPEN IN YOUR LIFE AND YOUR LIFE WILL GIVE COMFORT TO OTHERS, OR BE COMFORTABLE TO YOU, IN TWO WAYS , ONE WAY BEING BETTER THAN THE OTHER.

DR UMAR

Neighbor

To dream of having a good neighbor signifies enjoyment and tranquility at home. If you dream of an angry or unfriendly neighbor, then it signifies dissension and disappointment. There is a waking issue that you need to address with your neighbor. Alternatively, the dream could mean relocation from your home. Perhaps you are in need of a change of scenery. <http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=neighbour>

YOUR HUSBAND HAS BEEN SUFFERING FAMILY PROBLEMS AND SUFFERING EMOTIONALLY BUT THESE PROBLEMS WILL GO AWAY SOON.

Water

To see water in your dream symbolizes your subconscious and your emotional state of mind. Water is the living essence of the psyche and the flow of life energy. It is also symbolic of spirituality, knowledge, healing and refreshment. To dream that water is boiling suggests that you are expressing some emotional turmoil. Feelings from your subconscious are surfacing and ready to be acknowledged.◆You need to let out some steam.◆To see calm, clear water in your dream means that you are in tune with your spirituality. It denotes serenity, peace

of mind, and rejuvenation. If someone throws water at you in your dream, then it implies that you need to show more of your emotions. You have been too disconnected from others. Alternatively, it may mean that you need to cool off.

WA LAIKUM SALAM, SHEIKH

IF YOUR DREAM IS TRUE [AND NOT ALL DREAMS ARE], IT COULD MEAN THAT, IN THE FUTURE, YOU MAY HAVE A CLOSE ENCOUNTER WITH A PERSON WHO IS AFFECTED SUPERNATURALLY [HANDSOME JINN IN BED].

Jinn — (Sing. Jinni) A creation from a smokeless fire. Among the **Jinn**, some are believers while others are satans. This is in contrast to human beings who are created from earth and among them some are believers and others are human satans. **Jinn** in a dream represent fraud, deceit, cunning, perfidy, treachery, theft, alcoholism, invented religious practices, travels, music, bars, tricks, sleight of hand, illusion, sorcery and magic. If one is transformed into a Jinni in a dream, it means that he will acquire such qualities. If one meets a Jinni who displays truthfulness, knowledge and wisdom which is recognizable by the person in the dream it means that he

will receive good news. Seeing **Jinn** standing by one's door in a dream means losses, a vow that must be fulfilled, or experiencing bad luck. Seeing **Jinn** entering one's house and doing work there in a dream means that thieves may enter that house and cause major losses. If one sees himself teaching the Quran to a gathering of **Jinn** in a dream, it means that he will be appointed to a leadership position. Accompanying **Jinn** in a dream means familiarity with, and keeping the company of men of knowledge, or people of inner knowledge. If one marries a female from amongst the **Jinn** in a dream, it means that he will marry an insolent wife, or that he may suffer a great calamity. If a righteous person sees himself chaining **Jinn** in a dream, it means that he holds fast to his prayers, fasting, controls his carnal self and base desires. Engaging in a battle with **Jinn** in a dream means that one will be safe from their evil. To befriend a known leader from amongst the **Jinn** in a dream means becoming a police officer and make it one's profession to pursue criminals and bandits. It also could mean that one might become a guided man of knowledge or a teacher. Seeing **Jinn** gathering in a known locality in a dream also may indicate the presence of snakes, scorpions, or what human beings may fear in the wilderness.
