I totally disagree with your contention to utilize the Holy Quran , a Book of Guidance/Mohekhmath (3:7) on all matters of life (5:3) for Taweez, Ganday, Jadoo, Tona business usually done by money making Babas, Faqirs, Pirs and

others. Can you quote from the Quran the relevant verses where in Allah promises that by hanging the Taweez in your neck, your 'relevant desire' will be fulfilled by sitting idle. Please read Quran or its translation to improve your knowledge. Sorry if I hurt your feelings. Thanks.

SALAM,

I DISAGREE, BR SYED. I HAVE MADE THE TAWEEZ AVAILABLE TO DOWNLOAD FREE OF CHARGE ON:<http://dr-umar-azam-chronological.weebly.com> THE TAWEEZ ARE FROM THE PAGES OF THE PANJSURAH SHARIF, PUBLISHED BY THE MAINSTREAM TAJ COMPANY OF KARACHI.

Thanks. I showed your write ups to an Alim who particularly gave his views on your TAWEEZ writings as nothing but 'fairy tale' to keep our Muslims deviated in

Taweez, Ganday, Jadoo and Tona business usually done by commercial Pirs and Faqirs and Taghoots to keep us religiously backward. He says reading of translation of Quran is the only remedy to avoid all such exploitation, extremism, misguidance, Talibanism, excesses and over-acting in religious matters and rituals.

Actually Quran is a book of Guidance to the entire erring and deviated humanity to come to the Right Path of Allah and Allah nowhere promises that mere reading, reciting and Hifz of Quran with Tawaiz, Ganday etc. is going to automatically change our lives. Allah helps those who help themselves.

Dr. Azam: You are just trying to 'uphold' your own research to deviate the Muslims from the right path. Quran was not bestowed for Taweez and Ganday business. It is a complete way of life (5:3) which has to be followed in letter and spirit. Due to lack of Quranic knowledge on our part, our Moulvis have cornered Islam to so called Five Pillars not at all mentioned and supported as such in Quran or authentic Hadiths. Further Pirs, Faqirs, Babas, Mazars of saints, commercial Alims and Imams have also become bogus Wasilas/intermediaries to Allah which is a deviation from Islam as every human is directly accountable and answerable to Allah alone for his deeds and misdeeds. Allah says that the worst people are those who do not use their brain to understand Islam but remain deaf and dumb (8:22). Allah says the Quran was sent down in Truth and those who create differences will go to Hell (2:176). Thanks.

Dr Azam Saheb: I have seen your web site on which you have no doubt worked very hard with your time and energy to achieve nothing. There are hundreds of such Islamic

web sites by various authors to show their over-love for Islam. But we have little time to read as Islam being an easy and clear Deen (27:1-2) has been made very hard (2:256/22:77) due to over-research by our Alims/writers/authors/Maulanas/Moulvis/Muftis/Imams/Aala Hazraths/Huffaz/Al Hajjis etc. with day and night lectures, speeches, Khitabs, groupings, parties, meetings, processions, excesses and over-acting in rituals never seen in Saudi Arabia, the land of the birth of Islam. All such over-acting is banned in Saudi Arabia. My request to them is to divert their time energy to some constructive work in science and technology.

We waste much water in Wudu with three time wash not supported in Quran (5:6) with lot of noise due to mouth gargling and nose washing to disturb or impress others. We have even made Juma Namaz difficult with two loud and long Azans, two Khitabs/speeches by two Imams followed by two Arabic Qutabs instead of one as in Arabia. To collect donations, our Masajid delay Khatm Quran Taraveh Namaz with long Dua by the Imam and also Eid Namaz until the target is achieved. We promise wrongly Jannah to donors. We perform too many Hajj and Umra and even Hajj Badal not allowed in Quran and also make lot of Qurbani and even infant cow is slaughtered

prohibited in Quran. We should be moderate as Ummath Wash (2:143) and devote time and energy to other matters of life. Thanks.

to me

salaam brother,

i wish to express my sincere gratitude for the support you gave me during the period i was taking a course in the christian university.

those books really helped me a lot as it aided me to counter most of their falsehood on the Islamic religion.

hope this relationship continues beyond sending of books.

i also have a number of suggestion to you and will share it with in due cause.

thank you very much and may the blessings of Allah be upon you.

to me

salam alaikum, Dr Umar, I appreciate your efforts in propagating the Islamic religion and your reward will be in abundance. We need people like you in this county to really assist us in educating the Muslim students here to be firm in their belief in the Islamic religion. nd our

I am thinking of initiating an inter schools hadith competition to inculcate the hobbit of reading Islam related books in the students. writing the books in English will encourage the students to read and understand the roles played by various leaders who assisted the Prophet in his quest to propagate the words of Allah.

I belief that it only through these programs that we can actually send our messages across to as many people of school going age as possible.

I count on your usual support.

DR UMAR

basiru ibrahim <basiruibrahim.gh@gmail.com>

12/19/14

to me

Salam alaikum, Dr Umar,

first and foremost i will like to thank you for buying into my idea may Allah richly bless you in Abundance.

All i need for now is to have translated version of the various Hadith that will be easily read and understood by the students.

For the purpose of the primary students, I will be glad if the books will be in the form of picture reading. this will make reading more interesting for the kids and it will also enhance their understanding of the concept.

Anytime a child reads a story with pictures, he/she understands it better than without pictures. In fact i was a teacher before in one of the Islamic schools in Accra so i think picture reading will really motivate them to read more.

One typical example is the book of bible story, this is a book that the Christians use a lot to deceive the children because is easier to read and seeing pictures of Abraham, Joseph, Pharaoh and many more makes reading interesting. Can we have an Islamic version of that book?

However, in the case of those in the high schools all my presentation will be on power point then a book each to all participants. I think the most important aspect of the program will be the monitoring and evaluation to ascertain the impact of the program on the target groups.

In all, am very confident that with the needed logistics, this program will allay the fears of Moslem parents on their children being turned into Christians.

May Allah give us the strength and wisdom to be able to em back on this mission successfully.

thank you.
