Dear Dr Sb
Thanks Jazak Allah Khair, Please Add My New Requests for Good Causes.

Help to Needful Families if you can do Something

REQUEST-1- WATER DISTRIBUTION

Many cities with dense populations lack adequate fresh water because municipalities which should be supplying them are failing due to decaying infrastructure and rising population. For such instances, we have started delivering water to the masses free-of-charge via water tankers which are filled with fresh water.

It costs just 10000 PKR(100\$) FOR 5 round for a 1,200 gallon tanker to give water to hundreds of people.

You can Support any amount towards the water distribution in which thousands of students, patients, villagers and farmers benefit.

REQUEST-2-NEED WINTER CLOTHES SUPPORT FOR NEEDY FAMILIES/STUDENTS

Winter Season may be very enjoyable for some people but the scenario is not the same for everyone. A large number of people who lives under the poverty line; They cannot afford to buy winter clothes to keep them warm.

We do many things & also expecting some thing as a return but till in the world, we have lot of duty to be done which may not give us any economic return but they help us to achieve mental satisfaction & also teach us the definition of humanity.

Need-10000 PKR (100\$) For One Needful Family

REQUEST-3- NEEDY FAMILY
